Public Servant/City Mayor
City of Sto. Tomas, Batangas

Dear **Mayor Marasigan**:

Our local government is currently implementing various projects and programs as the city gears towards a better and more sustainable future. Relative thereto, there is already a large number of employees to perform and supervise tasks, and the available and functioning biometric machines are insufficient to accommodate them.

In connection with this, the undersigned would like to humbly seek your approval for the provision of three (3) additional biometric finger scanners, which will be utilized for the efficient attendance tracking of the employees.

Thank you, and we are hoping for your kind consideration on this matter.

Very truly yours,

NERISSA M. LANDICHO
CGDH I - OIC (CHRMO)
